

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF TEXAS  
AUSTIN DIVISION

UNITED STATES OF AMERICA

V.

A-12-CR-210-SS

FRANCISCO COLORADO CESSA

**SENTENCING MEMORANDUM**

Francisco Colorado, through his attorneys Mike DeGeurin and Andres Sanchez, files this sentencing memorandum which includes a video exhibit for the Court's consideration at sentencing.

Submitted with this filing is a video presentation with information relevant to Colorado's company, ADT Petroservicios, C.V., and his character for social responsibility. Additionally, the video addresses the allegation in the indictment that ADT was a front company for the Zetas. DVDs containing a copy of the video have been sent to the District Clerk, Court and government via Federal Express. The video permits Colorado to efficiently present information to the Court that would otherwise require extensive travel, significant court time and translation.

A second memorandum will be filed containing letters and argument in support of sentencing. The letters Colorado has collected are currently being translated and are not now ready for submission.

Respectfully submitted,

/s/ Mike DeGeurin
